Comments

anonymous Coast two Coast Orlando Taxi service is horrible.

They are a little pricer than most taxi's and they defiantly are not professional or convenient. They will say what ever you want to get you to use them and will deny it later. It almost seemed like a pain to them to pick me up and take me somewhere. If they didn't want my service they should have said so.I was charged many strange fee's not mentioned before the ride, which they claim is on their website but I can not find one to save my live. JUST DO NOT USE!!! on Mar. 12 2012
