## Comments

RTGIs this guy legit businessman or on drugs? Gary Pomaville is sicko-BEWARE!!! He not only insists on my hiring him to Haul and dump it all, that i can stop paying storage fees on it, but says he will dump it for \$400 plus dump fees.

What?This is part of my living estate of my past antique malls, antique show stock, past fleamarket. store's inventory of storage units of antiques+ collectibles, new and used items I have for sale on craigslist for modest \$500.

I told him initially he is mistaken that I am selling these, it is valuable. I also told him where to go. He continues to pester me long after I said to leave me alone, CEASE + DESIST as defrauding anyone over 55+ in state of Florida is federal crime

USA land of freedom of speech I guess as he's insisting it is all trash-is he one of those antique dealers preying on me? He says he will take it all off my hands ( I I bet he will go sell it at antique show or fleamarket instead) -He continued to INSIST it is trash, useless-he is committing fraud for one.

He then insults me----He then insisted I am 300#'s which I am half that-this man is harassing me, am close to calling sheriff's dept, this is pure harassment-is he a sexual predator? Who is he and why does he continue to do this to me? I am NOT paying anyone to steal my estate
