

fuPal - now transfer fuBucks on fuBar!

[Register with us in one easy step!](#)

This is a neat new feature of fubar.com

" You can give some of your fuBucks to someone else. Note that you will be charged transaction fee of 20% of the transfer amount. For example, if you transfer 100 fuBucks to someone, your account will be charged a total of 120 fuBucks. "

This is a neat new feature. If you have a new friend on fubar who is having trouble getting fubucks (in other words, doesn't have as much disposable time as you do), you can transfer fubucks to your friend.

Is it fantasy? Sure! But so what? it's fun!

to join this fun place (yes, its the webmaster's new addiction)

I get fubucks when you join. You get fubucks when you get invited (rather than just signing up alone).

Enjoy!
