Get rid of coyotes in Naples, Bonita Springs and Estero. We know how.

(new) Private note to news media regarding the requests for interviews: We do not give interviews as we prefer to do our job quietly for our customers with as little muss or fuss as possible. There are teachers and

The Florida Fish and Wildlife Conservation Commission doesn't investigate individual attacks unless they deem them to be a chronic problem, such as the Estero attacks on dogs being walked on leashes, spokesman Gary Morse said.
