The Caloosa Dive Club has a very active group of divers in Southwest Florida. The club organizes and sponsors trips throughout many parts of Florida, including the Florida Keys and the East coast. We have a busy calendar and lots of fun diving planned in 2008.

Our, now traditional, trips to the Keys have been expanded to several trips during the year. We've added some new East Coast Dives (locations to be announced as the year goes on) and we will have at least one Advanced Trip such as the 2004 Heavy Metal Tour, Wreck Trek I that was so popular.

The Caloosa Dive Club meets every Thursday except the 4th Thursday of the month at the Cape Coral Yacht Club (Tony Rotino Center). Meetings are informal, fun events which include club business such as minutes, treasurer's report and planning for upcoming dives and events. Dive Reports are a highlight of the meeting and everyone has a chance to talk about their latest diving adventure at the end of the meeting.
