

Tickerdog.com-Your local on line directory.

[Register with us in one easy step!](#)

Your low cost alternative to yellow page advertising.

Tickerdog.com is your Collier and Lee Business and Residential directory. We offer a banner ad with live ticker which is editable and a multi-page color web ad describing your business with text and photos. We have a patented virtual billboard with directions to get customers to your place of business. Our dispatch system will e mail or text message your business with hot leads a must for contractors. In this tough economic market get the most for your advertising dollar. All businesses are entitled to a free listing and map location. We are running a special for the next 500 customers for \$ 19.99 per month for your full package which includes your banner and web page and advertising on major search engines which link direct to your ad. If you dont have a business domain name or email address we will provide one for free!!

Please go to www.tickerdog.com and click watch video. If your business is not listing click contact us we will ad for free
