An Evening with Guitarist and recording artist Colton Owsley and TRIO... Unpolished as driftwood and sweet as raw sugarcane, the World, the Flesh and the Devil will satiate your hunger for a music that teases your ears and inspires your soul. " The band\_s all original repertoire boasts poetic literacy and musical maturity so profound that one is surprised to hear it come from a group of artists so young.

The World, The Flesh and The Devil is the embodiment of the musical works and aspirations of Colton Owsley (lead vocals and guitar), Jeb Barrows (percussion), and Charlie Hines (bass). Their music, in keeping with the spirit of independent rock, transcends the artist\_s egos and reflects the incomparable beauty of organic and unpretentious artistry.
