Private Seminar on Facial Rejuvenation presented to The Neapolitans.

On Friday, November 20, members of the Neapolitan Club enjoyed hearing Dr. Boemi give an informative presentation on Plastic Surgery Procedures, which was held at The Moorings Club House in Naples. Following Club news and business attended to, the group of 50 enjoyed lunch and an introduction to Dr. Boemi. As Dr. Boemi began his presentation, he explained that his goal was to give the audience a visual perception of his style. Pictures of celebrities who had plastic surgery were shown, along with before and after photos taken from the doctor's own practice. This was followed by an interactive question and answer session, after which door prizes were awarded. Dr. Boemi is available for private club gatherings as well as private one hour consultations.
