On Thursday, January 14, Dr. Luciano Boemi, MD will be hosting a Sculptra Open House with a hands on demonstration.

Jan. 14 2010

Dr. Luciano Boemi, Board Certified Plastic Surgeon specializing in Cosmetic Surgery of the Face, Breast and Body will be hosting a Sculptra Aesthetic Open House here in Naples.

The Schedule of Events include a 5:30 pm arrival with hors d\_oeuvres & refreshments, followed by a 30 minute presentation, and hands on product demonstration.

During this time, you will be able to meet with Dr. Boemi and staff who have had Sculptra Aesthetic treatments and answer any questions you may have. You will be able to get their perspective on the benefits of Sculptra Aesthetic.

Sculptra is a safe, synthetic, and biocompatible material that is injected below the surface of the skin in the area of fat loss. It provides a gradual and significant increase in skin thickness, improving the appearance of folds and sunken areas. The effects of Sculptra are gradual, natural results and long lasting. In several clinical studies, the effects lasted for two to three years after the first series of injections.
