Jul. 18 2012

The Voices Against Brain Cancer South Florida Support Group for Brain Cancer & Brain Tumor Patients, Survivors and their Families, Caregivers, Friends & Coworkers.

Voices Against Brain Cancer's mission is to find a cure for brain cancer and brain tumors by advancing scientific research, increasing awareness in the medical community and supporting patients, their families and caregivers suffering from this devastating disease. July 18, 2012 at 7:00 PM 10680 NW 25 St., First Floor, Doral, Fl 33172. RSVP is required - [info@voicesagainstbraincancer.org](mailto:info@voicesagainstbraincancer.org)
